

**Assignment 4**  
(Java Programming Practices)  
(Due by the lab on Tuesday, 2/16/2009)

Your name:	Score:
------------	--------

Lab preparations:

1. Create a directory “CSC201J” on the “H:” drive.
2. Create a subdirectory “Assignment04” under the “CSC201J” directory you just created.
3. Start up NetBeans6.8 and work on the Java projects/programs (you need to create a new project (for each of the following program practices) with *a meaningful name* under the directory “H:\CSC201J\Assignment04”).

Java Programming Practices using **Chapter 3’s LAB MANUAL**.

- You need to check the Chapter 3 Lab Manual on our course website at (you may use the mouse-clicks to go there instead of typing the link address)  
[http://cs.salemstate.edu/~b\\_yi/2010Spring/CSC201J/resources/labManuals/jhttp8LM\\_03.pdf](http://cs.salemstate.edu/~b_yi/2010Spring/CSC201J/resources/labManuals/jhttp8LM_03.pdf)
- The full score for this assignment is 100 points, 15 of which go to the your Java code programming style (if you have followed the Java Code Convention).
- For each of the projects, you need to:
  - Show the result to the instructor and ask him to sign on this assignment sheet.
  - Printout the source code and attach it to this sheet (please *turn off the background* for the “print option”—ask the instructor on how to do it)
  -

Warming-up exercises (**no** submission and signature required):

- Testing all the code examples from Chapter 3.

**Chapter 3 Lab Manual:**

- Lab exercise 1—Modifying Class Account (on pages 19-21).
- Lab exercise 2—Modifying Class GradeBook (on pages 23-25).
- Lab exercise 3—Creating an Employee Class (on pages 27-29).
