Assignment 4
(Java Programming Practices)
(**Due by the lab on Wednesday, 2/17/2009**)

Your name:	Score:

Lab preparations:
1. Create a directory "CSC201J" on the "H:" drive.
2. Create a subdirectory "Assignment04" under the "CSC201J" directory you just created.
3. Start up NetBeans6.8 and work on the Java projects/programs (you need to create a new project (for each of the following program practices) with *a meaningful name* under the directory "**H:\CSC201J\Assignment04**").

Java Programming Practices using **Chapter 3's LAB MANUAL**.
- You need to check the Chapter 3 Lab Manual on our course website at (you may use the mouse-clicks to go there instead of typing the link address) http://cs.salemstate.edu/~b_yi/2010Spring/CSC201J/resources/labManuals/jhtp8 LM_03.pdf
- The full score for this assignment is 100 points, 15 of which go to the your Java code programming style (if you have followed the Java Code Convention).
- For each of the projects, you need to:
  o Show the result to the instructor and ask him to sign on this assignment sheet.
  o Printout the source code and attach it to this sheet (please *turn off the background* for the "print option"—ask the instructor on how to do it)
  o

Warming-up exercises (**no** submission and signature required):
- Testing all the code examples from Chapter 3.

Chapter 3 Lab Manual:

- Lab exercise 1—Modifying Class Account (on pages 19-21).

- Lab exercise 2—Modifying Class GradeBook (on pages 23-25).

- Lab exercise 3—Creating an Employee Class (on pages 27-29).
