Important Notice:
1. **You must submit your work at Moodle**.
2. How to submit:
   - Create a folder for the assignment;
   - Create a subfolder for each of the questions of the project;
       i. You must use **meaningful subfolder names**, for example,
          ch03ProgramChallenge2.
   - Copy the SOURCE code (ended with ".java") to the subfolders;
   - Compress the folder and its contents into a SINGLE file;
   - Upload the compressed file at Moodle.
   - (Remember: you have **ONLY ONE** chance of uploading your solutions—
     before submitting, you need to copy the compressed folder into a
     temporary directory, extract it and test it!!)
